Back to School Day Schedule Details

Preschool Plans

Preschool and Nature Preschool students and parents will have their back to school program on the first day of school (Aug 10) and do not need to attend unless they have students in other grades. Click here for the first day of school instructions.

On August 9, we will have childcare available for your preschooler while you are in sessions for your older students. Check-in and pick-up for preschool students will be in the Village.

Lower School Schedule

Kindergarten - 4th grade students and parents will arrive at the following times for a session with their teacher. Students will have a chance to meet their teacher before heading out to the playground or to another supervised activity. Teacher sessions will last approximately 30 minutes. **Please note that Nature Kindergarten will have their Back-to-School Day on the Walton Way Campus.**

FAQs

What do I do with my older child (e.g. 3rd grader) while I am in the session for my younger child (e.g. 1st grader)?
Keep the older child with you until they get to meet their teacher and are dismissed to the supervised activities.

What do I do with my younger child when I need to go meet the teacher of my older child?
The younger child can stay in the supervised activities until you are done with your teacher sessions. Once finished, go to the playground and we will get your child for you. Keep your nametag on so that we can verify the pickup.

Will we still have the Orientation night program in a couple of weeks into school?
No. Every teacher will have an information sheet for the class that will provide you with a sense of what the year will entail but also the basic information about the class, including what you can expect with respect to communication. We also hope that these sessions open lines of communication among parents and teachers from the start of the year.

What if I miss a session with one of my child's teachers or miss the entire morning?
We will have a record of everyone who attends. For those who miss, we will make sure you get the information you need. Of course, you could always email the teacher after that morning and ask for the information that was shared.
