## Spring Football Practices for Current and Rising Middle School

Dear EDS current and rising middle school parents and students,

The tradition continues for the EDS Athletic Department and our football program as we prepare for the 2023-24 athletic year. EDS will host spring football practice for anyone interested in playing football for the Panthers this coming fall season. We will hold practice over two weeks.

- Week 1: May 22 - 25
- Week 2: May 30 - June 1
- Practice is from 4:00 P.M. to 6:00 P.M.
- May 22: Practice will be on the Walton Way Campus
- All other practices will be on the Flowing Wells Campus - unless notified by Coach Josey

Spring practice will involve NO CONTACT. Players will only wear helmets and begin to learn the drills and skills needed for the fall season.

Below is a link to a form that will help us know who is going to attend the spring practice(s). Please complete the form even if you cannot attend the practices, but plan on playing football. This will help us understand our numbers for the fall season.

We acknowledge that injuries are a big concern with football and we take every precaution to keep our players safe. Coaches Josey and Ammons are both USA Football Heads-Up Tackling Certified and Certified by Atavus Tackling. We cannot promise that any student-athlete will not experience an injury, but we do everything we can to teach them the correct way to play and tackle. Our team is composed of 5th through 8th graders. Playing time is determined by many factors, including player size, skill, and opposing team.

If interested, even to try it out for spring, please sign up using the link below. Information for summer workouts will be delivered during the spring practices.
