Foundations for Life

Assistant Kindergarten Teacher

Episcopal Day School, Augusta, GA www.edsaugusta.com

DESCRIPTION OF ROLE

Established in 1944, Episcopal Day School is a PK-8 co-educational, independent day school located in Augusta, Georgia. We seek an experienced, dynamic, and nurturing **Assistant Kindergarten Teacher for the 2024-2025 school year**. Candidates should have excellent teaching and interpersonal skills and possess a deep understanding of developmentally appropriate curricula, a passion for working with kindergarten students, and a commitment to research-based teaching approaches. Our school is committed to providing a loving, stimulating, and emotionally responsive environment where children are encouraged and supported as they explore the world around them. We seek to inspire our prekindergarten students to become curious, motivated, and confident learners as they encounter increasingly complex challenges and practice social skills.

PRIMARY JOB RESPONSIBILITIES

Under the direction of the lead teacher

- Provide direct, differentiated instruction for all students in a full-day program, focusing on collaboration, critical thinking, and problem-solving as children learn through play
- Assess and determine the developmental stages of each child through observation and discussion
- Set appropriate limits and guidelines for children both individually and in group settings
- Recognize families as partners in the educational process
- Create and implement lessons in alignment with the school expectations and curricular guidelines
- Identify, select, and create instructional resources to meet the needs of students with varying learning styles and needs.
- Evaluate student growth and progress.
- Implement clear and consistent classroom management strategies focused on student social-emotional needs
- Respect the confidentiality of children and their families
- Actively support the mission and strategic plan of the school
- Communicate and partner effectively with students, families, teachers, and other professionals regularly
- Meet with families on scheduled conference days and more frequently if necessary.
- Model professional and ethical standards when working with students, families, and colleagues

- Embrace ongoing professional growth opportunities and processes based on research-driven standards and practices.
- Attend all required professional development and school meetings.

MINIMUM QUALIFICATIONS AND COMPETENCIES

- Bachelor's degree required
- Effective classroom management skills
- An inquisitive professional learning mindset
- Excellent written and verbal communication skills
- Familiarity with technology to enhance teaching and learning; to organize personally and professionally, and to communicate with colleagues and families
- Patient, compassionate disposition
- Strong collaboration and communication skills
- Desire to partner successfully with families
